

Private Equity

Clients regularly turn to WilmerHale's private equity team to provide innovative and responsive legal advice in their most complex transactions. Applying a holistic approach, we work within fully integrated and seasoned teams in North America and Europe to provide guidance across multiple disciplines, including corporate/M&A, debt finance, securities and corporate governance, tax, employment, employee benefits and executive compensation, environmental, real estate, intellectual property, and data privacy and security.

PRACTICE AT A GLANCE

- Experienced in representing sponsors, entrepreneurs and management teams in the formulation of creative strategies for structuring acquisitions, financings of private and public companies, negotiated as well as unsolicited acquisitions, going-private transactions, stock-for-stock acquisitions, spin-off transactions, and acquisitions of minority interests.
- Work with private equity and other investors in private investments in public equity (PIPEs) and special purpose acquisition company (SPAC)-related investments and business combinations.
- Represent clients in key sectors, including technology, technology-enabled services and manufacturing; medical devices and life sciences; financial services; energy; telecommunications, media and entertainment; real estate; and retail, e-commerce and consumer products.
- Extensive experience handling transactions involving highly regulated industries or sensitive regulatory issues.

TEAM EXPERIENCE

Our lawyers bring to the team experience from their distinguished careers at WilmerHale and elsewhere. For example, they have represented numerous middle-market private equity firms in a number of acquisitions, financings, recapitalization transactions and dispositions across industries and spanning several continents. Our lawyers also have extensive experience in the representation of portfolio companies post-investment.
