**ORDER**

Before the Court is Defendants Samsung Display Co., Ltd., Samsung Electronics Co., Ltd., and Samsung Electronics America, Inc. (collectively, “Samsung”), and Plaintiff Solas OLED Ltd.’s (“Solas”) (together with Samsung, the “Parties”) Joint Disputed Motion for Relief Related to the Novel Coronavirus (COVID-19) Outbreak (the “Joint Disputed Motion”). (Dkt. No. 88.) In the Joint Disputed Motion, Samsung requests a 60- to 90-day continuance of the fact and expert discovery deadlines. Solas offers an alternate proposal of an approximately two-week extension of the discovery period.

Having considered the Joint Disputed Motion and the rapidly changing landscape regarding the novel coronavirus (COVID-19), the Court is of the opinion that the Joint Disputed Motion should be **GRANTED-IN-PART** and **DENIED-IN-PART**. Specifically, the Court is of the opinion that the relief requested by Solas should be and hereby is **GRANTED** while the relief requested by Samsung should be and hereby is **DENIED**. The Court believes this allows the case to move forward without foreclosing the possibility that the Parties may require additional relief at a later date as the current health crisis evolves. In accordance with this Order, the Parties are

**ORDERED** to submit a jointly proposed amended docket control order no later than **Monday, March 30, 2020 at 11:59 P.M. central.**

**So ORDERED and SIGNED this 25th day of March, 2020.**
