

Life Sciences

2015: Recognized both globally and nationally as a leading life sciences practice, WilmerHale has four decades of experience representing biotechnology, pharmaceutical and medical device companies at all stages of growth, as well as venture capitalists and investment banks. We have represented life sciences clients in venture financings, public offerings, mergers and acquisitions, and licensing agreements and collaborations; protected their innovations through patent prosecution and portfolio development; defended their interests in enterprise-critical patent litigation; and navigated regulatory issues vital to their success. The following is a selection of our recent corporate life sciences transactions.
