

Strategic Alliances, Joint Ventures and Licensing

2015: Market leaders in life sciences, technology, energy, cleantech, communications, financial services and many other industries turn to WilmerHale for legal advice and business insights. Our corporate, licensing, intellectual property and regulatory lawyers regularly handle a high volume of strategic alliance, joint venture, licensing, collaboration, product development, outsourcing, manufacturing, distribution and similar agreements, including many significant deals that are helping to shape the future of science and technology. We have advised clients throughout the United States and Europe on strategic alliances that have received industry recognition for their importance, and our lawyers have been recognized as global leaders in this field. The following is a selection of our recent transactions.
