

Strategic Alliances, Joint Ventures and Licensing

2017: Market leaders in life sciences, technology, energy, cleantech and communications, financial services, and many other industries turn to WilmerHale for legal advice and business insights. Our corporate, licensing, intellectual property and regulatory lawyers regularly handle a broad range of strategic alliance, joint venture, licensing, collaboration, product development, outsourcing, manufacturing, distribution and similar agreements, including many significant deals that are helping to shape the future of science, technology and commerce. We have advised clients throughout the United States, Europe and Asia on strategic alliances that have received industry recognition for their importance, and our lawyers are recognized as global leaders in these fields. The following is a selection of our recent transactions.
