**2017:** Emerging companies and leading venture capitalists turn to WilmerHale for legal advice and business advantage. Thousands of startup companies have relied on us from formation to funding to business expansion, with many going on to achieve market leadership and successful IPOs or acquisitions. In 2016, we served as counsel in approximately 250 venture financings raising nearly \$3 billion, including some of the largest and most prominent deals of the year. Since 2006, we have handled more than 2,800 venture financings with total proceeds in excess of \$35 billion. We have one of the top venture capital practices in the country, and over the past decade have represented more venture capital-backed companies in the eastern half of the United States than any other law firm. The following is a selection of our recent venture capital transactions.
