

2007 Venture Capital

Emerging companies and leading venture capitalists throughout the United States and Europe turn to WilmerHale for legal advice and business advantage. Hundreds of start-up companies have relied on us from formation to funding to market leadership and successful IPOs or acquisitions. In 2007, we served as counsel in more than 250 venture financings raising over \$2 billion, including some of the largest and most prominent deals of the year. Since 2000, we have handled more than 1,750 venture financings raising over \$18 billion. With one of the top venture capital practices in the world, we are counsel to more venture capital-backed companies in the eastern half of the United States, and in Europe, than any other law firm.
