

## 2008 Technology Transactions and Licensing

Market leaders in life sciences, technology, financial services, communications and many other industries turn to WilmerHale for legal advice and business advantage. In 2008, our corporate, licensing, intellectual property and regulatory lawyers handled more than 100 licensing, strategic alliance, collaboration, joint venture, product development, outsourcing, manufacturing, distribution and similar agreements, including deals that are helping to shape the future of science and technology. In recent years, we have advised clients throughout the United States and Europe on strategic alliances that have received industry recognition for their importance, and our lawyers have been recognized as global leaders in this field.
