

Strategic Alliances, Joint Ventures and Licensing

2012: Market leaders in life sciences, technology, energy and cleantech, communications, financial services and many other industries turn to WilmerHale for legal advice and business advantage. Our corporate, licensing, intellectual property and regulatory lawyers have recently handled numerous strategic alliance, joint venture, licensing, collaboration, product development, outsourcing, manufacturing, distribution and similar agreements, including many significant deals that are helping to shape the future of science and technology. We have advised clients throughout the United States and Europe on strategic alliances that have received industry recognition for their importance, and our lawyers have been recognized as global leaders in this field.
