
Global Anti-Bribery Year-in-Review: 2013 Developments and Predictions for 2014

5. FEBRUAR 2014

The year 2013 witnessed several notable developments in the enforcement of the Foreign Corrupt Practices Act (FCPA). In "Global Anti-Bribery Year-in-Review: 2013 Developments and Predictions for 2014, WilmerHale Partners Roger M. Witten, Kimberly A. Parker, Jay Holtmeier and Erin G.H. Sloane discuss notable trends and developments in 2013 corporate settlements and individual prosecutions, key FCPA legal developments, notable collateral litigation developments, and significant developments in international anti-corruption law. They also look ahead to possible trends in 2014.
