
The New Swaps Regime: A Primer for Nonfinancial Companies

2013-01-09

More than two years after enactment, the Dodd-Frank Act's sweeping new derivatives provisions are beginning to be implemented. Many of the Dodd-Frank Act's requirements apply to nonfinancial public and private companies that use derivatives. This guide explains what those requirements are, how they affect nonfinancial corporate end users of derivatives, and how your company should prepare to become compliant as these rules are phased in during 2013.
