

11th Annual WilmerHale Intellectual Property Conference: Examining the Latest Developments in Intellectual Property Law

2011-05-24

Join us for the 11th Annual WilmerHale Intellectual Property Conference, where we will examine the latest developments in intellectual property law and their impact on your business.

The 2011 conference will feature panel discussions on developments at the Federal Circuit and Supreme Court cases making headlines, as well as current trends in patent litigation. The conference will also include three concurrent breakout sessions to discuss developments to watch in the life sciences; current trademark and copyright issues; and privacy as intellectual property, and data-driven decision making.

The conference will conclude with a networking and cocktail reception.
