

2008 BIO-Europe Spring: Global Partnering – Building (or Stumbling) Blocks of International Licensing - Legal Aspects

APRIL 7-9, 2008

BIO-Europe annually brings together life science industry leaders and deal-makers, including CEOs, business development executives, venture capitalists, investment bankers and other experts. The 2008 conference attracted biotech companies, large and mid-sized pharma and featured some of the world's hottest emerging companies with the most exciting development programs, providing delegates with an unparalleled opportunity to create new value generating partnerships.

WilmerHale Counsel Jochen Eimer was a featured speaker at this event.
