

The 2010 WilmerHale West Coast Intellectual Property Conference: Examining the Latest Developments in Intellectual Property Law

2010-10-07

Please join us for the 2010 WilmerHale West Coast Intellectual Property Conference, where we will examine the latest developments in IP law and their impact on your business.

We will begin with a welcome lunch, followed by a panel discussion on headline-making developments in the US Supreme Court and Federal Circuit, and two informative sessions addressing patentable subject matter after *Bilski* and damages apportionment in the wake of *Lucent*.

Immediately following the conference, help us celebrate the opening of our new office location at a cocktail reception from 5:30-8 p.m.
