

Practicing Law Institute's Advances Swaps and Other Derivatives 2014

OCTOBER 16, 2014

PLI's Advanced Swaps and Other Derivatives 2014 program will provide a comprehensive overview of the new regulatory framework for OTC derivatives and derivatives market participants, and explain how the new regulatory framework affects these products, the structure of the market for these products and market participants. The program will also cover documentation issues, and recent developments in tax, accounting and litigation related to OTC derivatives, as well as professional responsibility issues associated with derivatives.

WilmerHale Partner Dan Berkovitz will be a panelist during the discussion "Swap Dealers and Major Swap Participants: Who Are They and How Are They Regulated? Reporting, Position Limits, Business Conduct Rules, Capital."
