

ICC Arbitration and ADR Training

MARCH 6-7, 2015

The ICC Arbitration and ADR Training Program is an educational project design in a form of 8 two-day workshops in order to apply a practical, hands-on approach in the field of international arbitration and ADR. It is a one-off chance to learn from the most renowned arbitration practitioners in Poland, as well as gain knowledge directly from the source—from participating Court's Secretariat's representatives who will share their knowledge. It is also an opportunity to polish one's advocacy skills and draw from the multicultural and international aspects of the course.

The program will provide an in-depth understanding of the ICC Arbitration procedure under the 2012 ICC Rules of Arbitration by the thorough analysis of a case study which addresses the challenges of complex arbitral proceedings.

WilmerHale Special Counsel Maxi Scherer will present at this event.
