

## IPO: Damages & Injunctions Committee Conference— Patent Damages Law: Are Changes Needed?

MAY 27, 2015

Are the current methodologies for calculating patent damages outdated? Does existing case law provide the guidance needed for the current landscape of patent cases? What is the right paradigm for calculating damages in today's world of IP? This one-day seminar will assess how damages cases are handled and explore changes that could be made to ensure uniform results in this changing patent environment. WilmerHale is proud to be a sponsor of this Intellectual Property Owners Association (IPO) event.
