

WilmerHale Cybersecurity, Privacy and Communications Webinar Series: The Evolving Cybersecurity Landscape: Reviewing Trends in Data Breaches and Incident Response

JULY 28, 2015

On July 28, part of our bi-monthly webinar series, Partner Ben Powell and Counsel Jason Chipman present on trends in data security and incident response, with particular focus on the latest developments in regulatory, corporate governance, litigation and other related areas. Cybersecurity threats continue to evolve and present companies with complex challenges. Speakers discuss the latest trends, challenges and current best practices in preparing and responding to incidents.
