

## Tackling Your 2016 Compensation Disclosures: The Proxy Disclosure Conference

OCTOBER 27, 2015

With say-on-pay shaking everything up—and Congress, the SEC Staff, investors and the media scrutinizing this year's disclosures more than ever before—it is critical to have the best possible guidance for addressing next year's proxy statement compensation disclosures. Led by leading faculty, you will learn how to properly prepare your compensation disclosures and how to resolve many of the difficult issues that you will continue to face in setting compensation practices. This pair of full-day conferences (live or via video webcast) will be a "must" for anyone who has any role in setting/approving compensation arrangements or the preparation or review of proxy statements.

WilmerHale Partner Meredith Cross will speak the panels "The Big Kahuna: Your Burning Questions Answered" and "The SEC All-Stars: The Bleeding Edge."
