

## American Conference Institute's 12th Installment of Energy Trading Compliance & Regulatory Enforcement

NOVEMBER 16-17, 2015  
WASHINGTON, DC

Westin Washington DC City Center  
1400 M St NW  
Washington, DC 20005

Now in its 12th Installment, ACI's Energy Trading Compliance & Regulatory Enforcement is the nation's premier, must-attend event that directly addresses the most pressing compliance issues and regulatory initiatives that companies and their outside counsel need to be aware of. This program is designed to offer insights into pending rules and enforcement programs by the energy regulatory bodies, and explains the impact of increased federal scrutiny on the energy trading practice. It features a distinguished faculty of leaders from FERC and CFTC, as well as Hartree Partners, LP, Nodal Exchange, LLC, Powerex, Aces Power Marketing, Mercuria Energy, DC Energy, Citigroup Energy Inc., E.ON Global Commodities SE, Cargill, Power Panda Funds. WilmerHale Partner Dan Berkovitz is a featured speaker on the panel "The Role of Banks in Commodities Trading: Impact of Bank Regulation on Energy Trading."

Attend this conference to hear the leaders in the industry share their insights into the current state of the energy trading space, as well as proven strategies for preparing a compliance program that will be responsive to all of the newly enacted, and often difficult to grasp, regulatory changes. As the industry continues to be faced with drastic changes, you cannot afford to miss this important event to ensure your compliance program is ready.
