

2015 Tufts Scramble™

SEPTEMBER 19, 2015

SEPTEMBER SEPTEMBER

19 – **20**

Medford, MA

Breed Memorial Hall 51 Winthrop Street Medford, MA 02155

The 2015 Tufts Scramble is two-day immersion specifically to train emerging student innovators and founders in how to succeed where most student-led ventures fail. Throughout the weekend, students will brainstorm potential venture platforms, construct teams, connect with professionals, work with coaches, connect with funders, and gain a wealth of information on how to take the first steps in a project with real world magnitude.

Venture ideas may range anywhere from high-tech products to social impact initiatives. Whether you already have an idea or team in mind or are ready to take on emerging concepts, each student-team will skill-build, model, and pitch their venture idea to a panel of business and civil service

leaders by the end of the session.

WilmerHale Partner Gary Schall will present on "Legal Considerations for Student Innovators."
