

## The Capital Chapter of NACD Program: The Board's Role in Cybersecurity

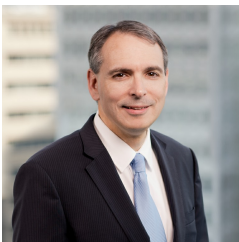

JANUARY 13, 2016

Hosted by the Capital Chapter of the National Association of Corporate Directors (NACD), The Board's Role in Cybersecurity will feature an interactive discussion on cybersecurity, with a focus on implications for the boardroom and best practices for board oversight. Panelists will provide perspectives on what boards should know about what their organizations are doing in respect to cybersecurity, as well as planning for a breach. The discussion will include perspectives from advisory, legal and insurance leaders. The program will be followed by a networking reception.

WilmerHale Partner Ben Powell will be a featured speaker at the program. WilmerHale is a sponsor of the NACD Capital Chapter.
