

Republic of Kosovo Ministry of Economic Development: The Day When Hacking is Legal

JANUARY 18, 2016

Through this conference, the Republic of Kosovo's Ministry of Economical Development aims to increase the level of cyber security awareness to institutions, public and private sector, ultimately raising awareness of users and taking security measures for public and private bodies. WilmerHale Senior Associate Takeshige Sugimoto will participate in a panel discussion on national security, discussing the impact of cybersecurity on Japan's national security.
