

## Vienna Arbitration Days 2016

JANUARY 22-23, 2016

The Vienna Arbitration Days are the leading arbitration conference in Austria. In the past years we have welcomed more than 150 participants from over 40 countries each year. Following our successful 2015 event, we will again welcome participants from numerous jurisdictions around the globe for two days of discussion on leading topics in international arbitration. Use this opportunity to be updated on salient arbitration issues, for networking and dancing at a traditional Viennese ball.

WilmerHale Counsel Helmut Ortner will participate in the panel "Creating a Sound Framework," specifically on the topic "Applying the applicable law in international arbitration – a competitive advantage over state courts?"
