

The University of Akron School of Law: Fourth Annual Naples Patent Experts Conference

FEBRUARY 8, 2016

The Fourth Annual Naples Patent Experts Conference will feature presentations on current significant topics by leading jurists, scholars and practitioners from the United States and abroad. This year's program will feature interactive discussions by faculty on cutting edge topics, including best practices in patent litigation, claim construction after *Teva*, the changing composition of the Federal Circuit, post-grant proceedings, design patents, the European Unified Patent Court, current patent reform efforts and section 337 practice.

WilmerHale Partner Ben Fernandez will participate in the panel discussion "Design Patents: Patent Law's New Frontier."
