

WilmerHale Program: Trends in Data Security and Privacy Civil Litigation

MARCH 21, 2016

Please join us for an informative and lively discussion of key topics and trends in data security and privacy and related civil litigation. This half-day program will be held in our Palo Alto office and will feature panel discussions by WilmerHale Partners Martin Braun, Jonathan Cedarbaum, Mark Flanagan and Alan Schoenfeld, with Partner Reed Freeman as moderator. The program, which will begin with a networking breakfast, will cover the following topics:

- Data Security
 - Overview of Standing and Class Certification
 - Review of Claims and Defenses in Recent Cases
- Privacy Concerns and Litigation related to:
 - Computer Fraud and Abuse Act (CFAA); Electronic Communications Privacy Act (ECPA), Wiretap Act and State Claims
 - Telephone Consumer Protection Act (TCPA)
 - Video Privacy Protection Act (VPPA)
- European Data Security and Privacy Developments
