

## The Role of Intelligence and How It Is Used

MARCH 30, 2016

In this symposium hosted by The Heritage Foundation, panelists address the lawful collection of foreign intelligence, as well as the impact of intelligence in the hands of the customers in order to make better informed decisions affecting our national security. Panelists will discuss collection authorities, privacy and the rule of law, and how those strengthen our ability to protect and defend against 21st century threats.

WilmerHale Partner Ben Powell will participate as a panelist in the session “Why Do We Collect Intelligence?”
