

## The 2016 Patent Disputes Forum North

APRIL 14, 2016

The 2016 Patent Disputes Forum North, hosted by the *Daily Journal*, is a full day rich in valuable information and intelligence for in-house and corporate counsel, intellectual property litigators, and those involved in the ever-changing Patent environment. Delegates will walk away armed with best practices and insights concerning key IP issues that impact their clients, companies and even careers.

WilmerHale Partner Mark Selwyn will be a speaker on the panel entitled, "Alice Test: Is it Clearing District Court Dockets and Making the Concept of Preemption for Ineligible Subject Matter a Dead Issue?"
