

36th Annual Ray Garrett Jr. Corporate and Securities Law Institute

APRIL 28-29, 2016

The Ray Garrett Jr. Corporate and Securities Law Institute is the preeminent securities law conference in the Midwest. It is the only Midwest conference that brings together senior officials from the Securities and Exchange Commission and leading securities practitioners.

WilmerHale Partner Ben Powell will participate in the panel “Cybersecurity for Lawyers,” which will address what actually happens in a cyber incident; how to respond to an event—internally and externally; the role of the board and executive team in assessing and responding to cyber threats; and estimating financial losses, risk transfer and insurance.
