

ACI's Women Leaders in Financial Services Law and Compliance

MAY 12-13, 2016

This conference, now in its second year, will provide a forum for women in the financial services legal and compliance community to discuss professional opportunities as to foster communication between like-minded individuals about the key legal, compliance, regulatory, and enforcement developments in the past year. All presentations, a mixture of both professional development and substantive topics, will be tailored to empower women in this space and to give women the skills necessary for continued success in the financial services world

WilmerHale Partner Sharon Cohen Levin will serve as a moderator for the session “Women Leaders in Government Round Table: Power, Progress and Gender Politics in the Public Sector.”
