

Biotechnology Industry Organization: 2016 BIO International Convention

JUNE 6-9, 2016

The BIO International Convention is the largest global event for the biotechnology industry, featuring keynote addresses and sessions led by key policymakers, scientists, CEOs and celebrities. This event will offer attendees networking and partnering opportunities and provide insights and inspiration on the major trends affecting the industry. Attendees will have the opportunity to participate in hundreds of sessions covering biotech trends, policy issues and technological innovations, as well as attend the world's largest biotechnology exhibition.

Judge Arthur Gajarsa, who is a senior counsel at WilmerHale, will participate as a speaker for the panel session "Protecting Biomedical Innovation in a Shifting Patent-Eligibility Landscape." The panel, with representatives from the judiciary, USPTO and industry, will discuss how stakeholders can maneuver the still-changing landscape in this challenging area and where it may be heading.
