

## IV International Arbitration Congress of the Colombian Arbitration Committee

JUNE 15-16, 2016

The Colombian Arbitration Committee, with the support of the Centre for Arbitration and Conciliation of the CCB, is pleased to invite you to attend the Fourth International Congress of Arbitration. This conference aims to provide an academic space to compare the experiences and views of Colombia and other countries in terms of the contributions and challenges of arbitration, as well as current trends in the field. WilmerHale Special Counsel Claudio Salas will participate in the panel discussion "Investment arbitration: the standards applicable in Colombia to determine the violation of investment treaties and recent developments in investment arbitration."
