

etfXchange '16: BNY Mellon's ETF Symposium

SEPTEMBER 19-21, 2016

With the ETF industry consistently seeing year-after-year growth and assets recently passing a major milestone of over 3 trillion, the etfXchange '16, BNY Mellon's ETF Symposium, is an excellent way to stay ahead of industry trends in this fast moving, challenging environment. At etfXchange '16 you will be able to explore new Ideas by participating in interactive discussions on industry trends while discovering ETF Innovation through new products being offered in the industry. The event also provides the opportunity for Interaction with BNY Mellon executives while networking with some of the best minds in the ETF industry.

WilmerHale Partner Amy Doberman will participate in the panel discussion "Regulatory Landscape for ETFs: Turning up the Heat," which will provide insight into the current regulatory climate and how it will impact advisory practices and product innovation.
