

GW Law Conference: Post-Grant Practice Roundtable Discussion

OCTOBER 7, 2016

WilmerHale will co-host the second annual Post-Grant Practice Roundtable Discussion. Patent field leaders from academia, industry and government will discuss the post-grant practice at the Patent Trial and Appeal Board and how post-grant proceedings continue to change the practice of patent law.

The half-day program will explore current issues with US post-grant review from before the US Patent and Trademark Office, district courts, and the Court of Appeals for the Federal Circuit. Discussions will cover recent important decisions, such as *Cuozzo Speed Technologies, LLC v. Lee*, as well as the types of cases being filed, and more. It will also highlight particular aspects of the practice that are working well, and will feature a thoughtful discussion of suggested improvements in certain areas of the process.
