

## Donnelley Financial Solutions' The New Private Company Playbook

OCTOBER 27, 2016

The Donnelley Financial Solutions' *The New Private Company Playbook* panel and networking event will feature two panels of industry leaders who will discuss the new private company strategic growth environment, including innovative growth strategies for private companies and why many private companies are implementing public company infrastructure and governance practices.

WilmerHale Partner Brian Johnson is speaking on a panel discussing "Why Are Private Companies Implementing Public Company Infrastructure and Governance Practices?"
