

## RegTech Summit US

NOVEMBER 17, 2016

ECN's RegTech Summit US is an end user-driven conference that focuses exclusively on the applications of leading RegTech solutions for financial services firms. Speakers will present new insights into the implementation and roll-out of various RegTech initiatives, helping to draw a blueprint for others to move forward.

Partner Paul Architzel will speak on the panel "Trading Surveillance Tools." The panel will draw connections between Reg AT, Reg SCI and MAR, and explore corresponding trade surveillance and risk management solutions.
