

## The Boston Patent Law Association 2016 Annual Meeting

DECEMBER 7, 2016

The goal of the Boston Patent Law Association (BPLA) is to provide educational programs and a forum for the interchange of ideas and information concerning patent, trademark, and copyright laws. Through a volunteer Board of Governors and its various committees, the BPLA organizes and hosts educational seminars, social events and conventions. The association also comments on rules and legislation affecting the profession.

WilmerHale is sponsoring the upcoming BPLA Annual Meeting where colleagues will network, finalize business for 2016, and elect officers for the coming year.
