

ACI's 14th National Forum on Energy Trading Compliance & Regulatory Enforcement

JANUARY 11, 2018

ACI's 14th installment of its Energy Trading Compliance & Regulatory Enforcement Conference is the energy trading industry's premier, must-attend event which directly addresses the industry's most pressing regulatory and compliance challenges. The program will offer insights into the rules and agency enforcement programs and to also explore the impact of federal scrutiny on energy trading practices.

WilmerHale Special Counsel Petal Walker will participate on the panel "The Impact of the New Administration on Enforcement Actions and Market Participation in the Energy Trading Space." This panel will explore and predict anticipated FERC and CFTC agency priorities as well as the future landscape of enforcement and market participation under new leadership.
