

WilmerHale Webinar: Navigating Uncertainty—What the Trump Administration Means for Antitrust Enforcement

JANUARY 17, 2017

Join WilmerHale for a webinar discussing the potential antitrust landscape under the Trump Administration. The program will feature a panel of WilmerHale antitrust and competition partners, including Leon Greenfield, Perry Lange and Jim Lowe.

Topics of discussion include:

- the latest transition developments at the antitrust agencies;
- what a Trump antitrust agenda could look like (and whether it's likely);
- expected impact on merger enforcement, civil and criminal investigations, and the IP/Antitrust intersection, among others;
- how international and US state competition enforcers could react to changing federal antitrust priorities and US trade policy; and
- changes in the federal judiciary and the effects on private actions.

Participants will have the opportunity to contribute questions online and interact with panelists throughout the webinar.
