

82nd North American Wildlife and Natural Resources Conference

MARCH 5-10, 2017

For more than 80 years, WMI has administered the North American Wildlife and Natural Resource Conference. The North American Conference sessions, workshops and more than 150 separate meetings and functions, serve as the annual forum to set conservation policy in North America.

During a special session entitled "Wildlife Successes in Optimum Funding Scenarios - Exxon Valdez and Deepwater Horizon Restoration," WilmerHale Special Counsel Rachel Jacobson addressed restoration funding during a panel discussion on the Deepwater Horizon experience.
