

USC Gould School of Law Intellectual Property Institute

MARCH 21, 2017

WilmerHale is a sponsor of the USC Gould School of Law Intellectual Property Institute. The IP Institute has forged a reputation for gathering national speakers to analyze sophisticated topics and provide practical takeaways to attendees. Focusing on copyright, patent and trademark law, the Institute features morning plenary sessions, a luncheon keynote address, afternoon tracked breakout sessions and six networking opportunities, including a special networking breakfast for women in IP and a hosted cocktail reception at the end of the day.

WilmerHale will also sponsor a special half-day IP Remedies Roundtable and Workshop on Monday afternoon, March 20. This program will explore how financial remedies and injunctive relief should be evaluated and presented in cases involving multiple types of IP rights. WilmerHale Partner Andrea Weiss Jeffries will join a panel for this interactive workshop.
