

## A Conversation With Guantanamo Lawyers

MARCH 22, 2017

What does the future hold for Guantánamo under President Trump? The Center for Constitutional Rights and Morgan Lewis invite you to a discussion and reception with the contributors of Obama's Guantánamo: Stories from an Enduring Prison. The collection of essays describes President Obama's failure to close the offshore detention center, the costs of that failure for those still imprisoned there, and the implications for future US policy and human rights.

WilmerHale Partner Mark Fleming will participate in this panel discussion.
