

Boston Bar Association Privacy and Cybersecurity Conference

MAY 24, 2017

The Boston Bar Association's inaugural Privacy Conference will bring together attorneys from private practice and in-house legal departments to network and discuss key topics and trends in privacy and cybersecurity. This full-day conference will cover a wide range of topics from data breach response and litigation to compliance and transactional issues. Panelists will discuss new developments in the legal and regulatory landscape, while providing strategies to effectively prepare and respond to your client's needs and offer insights into challenges and opportunities ahead.

WilmerHale Partner Reed Freeman will discuss privacy and digital advertising at this conference.
