

QuickLaunch University Webinar: Key Issues in University Licensing

JUNE 14, 2017

Join us for our [QuickLaunch University Webinar Series](#) focused on legal issues for startups. Attorneys from WilmerHale's [Emerging Company Practice](#) will explore the most critical issues facing entrepreneurs and early-stage companies.

In this session, WilmerHale Partners David Gammell, Barry Hurewitz and Jeff Johnson discuss the basics of licensing and legal considerations for university licensing agreements.

Speakers will discuss:

- Unique aspects of university licenses and differences from commercial licenses;
- considerations for negotiating a license from your research institution;
- best practices for working with the university licensing office; and
- key licensing and deal terms.
