

## Discovering Discovery

JULY 28, 2017

The Colorado Bar Association CLE and Books in Action will host a full-day seminar covering *Discovery in Colorado*, a practical guide to discovery that brings to life the application of the Colorado and Federal Rules of Civil Procedure governing the discovery process. *Discovery in Colorado* was written by a variety of different practitioners, overseen by Magistrate Judge Nina Y. Wang and WilmerHale Partner Natalie Hanlon Leh. Attorneys and judges with backgrounds in private, in-house, and government practice authored individual chapters. Learn different approaches to discovery and hear distinct perspectives from some of the most experienced trial attorneys and judges in Colorado. Each class attendee receives *Discovery in Colorado*, 1st Edition, as course materials. Explore the ever-changing state of discovery through this valuable course and companion book.
