

The Exchange Community (TEC) 2017

SEPTEMBER 19, 2017

The Exchange Community (TEC) 2017, an annual Workiva conference, brings together Wdesk users, industry professionals and thought leaders for three days of professional development and networking. TEC is the largest industry gathering of SEC, SOX, internal control and internal audit professionals, offering breakout sessions, hands-on training and specialty group discussions.

WilmerHale Partner Thomas White is presenting “SEC Regulatory Developments,” covering recent regulatory announcements and changes from the SEC and the new administration in Washington. He will provide a summary of SEC activities and priorities, including a brief overview of recently issued standards, along with those to be released in the near future.
