SEPTEMBER 27, 2017

Please join the American Bar Association's White Collar Crime Committee, WilmerHale, Katten Muchin Rosenman LLP and Berkeley Research Group for an interactive program on recent challenges and risks that come under the Foreign Corrupt Practices Act (FCPA) as a result of expanding US businesses in Latin America. The panels will include discussion on:

- understanding the sensitivities and risks unique to Latin America;
- ensuring compliance in the region and minimizing risk exposure;
- investigating whistleblower and other complaints; and
- complying with government investigations.

CLE credit will be offered for this program. Cocktail hour and light hors d'oeuvres will immediately follow. We hope you can join us for this informative event.
