

## PLI's Advanced Swaps & Other Derivatives 2017

OCTOBER 24-25, 2017

At this program, PLI's distinguished faculty will provide a comprehensive overview of the evolving regulatory framework for OTC derivatives and derivatives market participants, and explain how the regulatory framework affects these products, the structure of the market for these products and market participants. The program will also cover documentation issues, and recent developments in tax, accounting and litigation related to OTC derivatives, as well as professional responsibility issues associated with derivatives.

WilmerHale Partner Dan Berkovitz will be a speaker on the panel "Innovative Market Trends, Enforcement Trends, Litigation, Insolvency and Resolution Authority: Safe Harbors; Orderly Liquidation."
