

ELabNYC 2018 Program Orientation and Reception

DECEMBER 11, 2017

ELabNYC kicked off its 2018 Program with an Orientation and Reception on Monday, December 11 for new program participants and community partners. ELabNYC teaches business skills and introduces its teams to startup resources in New York. Its aim is to support the development of NYC as the new world leader in life sciences entrepreneurship by harnessing the creativity and talent present in the city's academic institutions and is an initiative of the New York City Economic Development Corporation.

WilmerHale is a 2017-2018 supporter of ELabNYC.
