

International Privacy + Security Forum

FEBRUARY 26-27, 2018

The International Privacy + Security Forum brings together global leaders in privacy and security. The conference provides a forum for attendees to learn in detail about GDPR, privacy + security in Latin America, Asia, and around the world.

Partner Martin Braun will be a speaker on the panel, “Preparing for GDPR Privacy Litigation” and Partner Reed Freeman will be a speaker on the panel, “The One-Two Punch – The Impact of the GDPR and the ePrivacy Regulation on Digital Advertising in Europe.”
